Coach Travel Rules

Please read the following rules and regulations for travelling on coaches provided by the Supporters' Association.

No alcohol on any coach

Passengers are reminded that there is a strict no-alcohol policy on all coaches. Anyone caught drinking alcohol on board will be removed from the coach at the earliest safe opportunity and will be responsible for making their own onward or return journey.

01 Behaviour

Drunkenness will not be tolerated. Anyone causing a nuisance to the driver or fellow passengers will be removed from the coach at the next safe point and will be responsible for making their own onward or return journey.

02 No smoking or vaping

Smoking or vaping is not permitted on board at any time. This includes e-cigarettes.

03 Report any concerns

If you witness a breach of these rules, please make the Supporters' Association representative travelling with you aware so that it can be dealt with appropriately and promptly.

04 Do not distract the driver

Please do not talk to or question the driver while they are in control of the coach, including while moving or stopped at a junction or roundabout.

05 Keep the coach tidy

Please use the rubbish bins or bags provided by the coach company, or take your rubbish with you when leaving the coach.

06 Family-friendly language

Singing is welcome, but please remember that young children may be on board and keep your language appropriate. No C-bombs.

07 Personal belongings and care

You are responsible for your personal belongings and your own care. If you require a carer, you must arrange this yourself, as fellow passengers cannot be responsible for your welfare.

08 Comfort breaks

If you would like someone to bring you a drink or snack during a comfort break, please make sure you have sufficient cash to pay for it.

09 Mobility equipment and parking

We will do our very best to accommodate your needs regarding scooter or walking-frame storage and, where possible, coach parking.

Safe journeys and enjoyable away days

We want everyone to have a safe and enjoyable journey. Thank you for your understanding, and we hope to see you for more away days with the Boro.
